- A separate email will be sent out with final information and forms.

Registration 2010/2011

* If you have not yet registered or spoken to me, please send me an email with your youth's plan for next year. It helps to know in advance for planning. Thank you.

It has been a busy year. If youth have ideas about activities and camps they would like to do next year, their input is welcome. Have them send me an email. Have a great summer.
